“ Just yesterday we had to leave him at the grave. It was so heart breaking!! My (baby) brother and the one whom I looked up to as my (king)!! He was (baby) but I would go to him many times for my kings advice. I think he really liked for me to get his advice! Maybe he felt like the older one at that point! I cherish our growing up days so much! To you Gwen, Debbie, Larry, Wendell, all grand children ,and Rosa, Junior loved each one of you. Yesterday was not the last time we will see him if we keep our eyes fixed on Jesus.. You are a beautiful family Junior left behind and Aunt Louise loves you dearly. Junior's Beloved Sister Louise

“Debbie, Gwen, Rosa, and family; I'm thankful that I got to know your family years ago. We had some good times with Debbie and being around all of you at one time or another. Jack and Jr. were buddies. It's strange in a way that both of them have gone on...then again, maybe not. Your family was a loving family and had ties that bind. I know you'll miss Jr. dearly until you see him again. May the good Lord hold you during this sad time. I know it's got to be hard losing him and Russell early. We'll be thinking of you.
