“ Aunt Pat,

I'm so glad I had the opportunity to meet Uncle Pete, even though we live several states away. I would have liked to have known him better. The notes I've seen on ths site serve to confirm my initial and abiding impression that Uncle Pete was a warm and caring family man who brought smiles to all who came into his life. I ache for your loss and pray you find comfort in friends, family, a lifetime of memories, and the certainty that Uncle Pete is now in peacein heaven and will be there for your joyful renunion some day.

In Love and In Peace,

“ My husband worked with Pete at Ocean Lakes Campground for many years, he was well liked, a kind and generous person as well as his wife "Pat" is. When my husband was diagnosed with cancer, they were one of the first people to come and visit us to see him. One Christmas they gave us a basket with greens and tiny lights on it. When you walk by it, it would play Christmas Carols! It still works and now Pete, you are lighting up heaven with your wonderful heart and smile. We will miss you sweet friend. Hugs and love to you Pat. Your friends, Bill and Kerrie Marquart

“ I only met Pete a few times, but it was obvious he was a good man very much in love with Pat. Their marriage was certainly made in heaven. My late husband, George and I were happy that his sister, Pat, had married such a caring man. On a visit to our home he and Pat fell in love with our 3 year old, Christopher. They went to town and bought him a bunch of toys. I wish we all had lived closer together.

I bet he was a great grandpa and great grandpa.

I would like to send my heartfelt condolences to Pat and the rest of the family for your loss. I'm sure Pete is home with his savoir and is watching over you all. May God give you comfort in your grief.
