“ I remember the day that Joan was born as if it were yesterday and it is hard to put into words what she means to me, so I will use this poem that someone sent to me. Just like a beautiful, long-stemmed rose, Her precious memory grows and grows, Touching the hearts of all of those she loved. And like the fragrance of that same rose, Her love, so sweet, still flows and flows, Filling our lives with a warmth that shows she's there. So like a forever-blooming rose, The beauty she shared eternally glows, For deep in our hearts, each of us knows she lives! You will always live in my heart, Mother.##imported-begin##Elizabeth J.
