*Pam has been a part of my life since high school. I have so many sweet and fun memories and enjoyed rehashing them with her especially in the last few years. I will always Treasure our long time friendship. It is a comfort to know she is rejoicing with her loved ones that went before her and that she is no longer in pain or suffering. Going to miss you Pammy Sue...we had Fun*

“ *Pam constantly showed me strength through her illness. My heart hurt for her and the pain she carried every day, but through that I became stronger dealing with my own illness through her. When I first heard that Pam had passed, I could see her standing straight, strong and beautiful dancing her way to see Jesus! Free of pain at last..... As always, as I pass her opened garage door, I will look for her to see how her day is going. It will be hard seeing that empty space. Allen, you are an amazing man! Reid and I know that you loved her dearly and unconditionally. She will be missed, but we cannot keep from smiling knowing she has found the most incredible peace. We love you! “ Pam was a good friend in high school and I will always remember her laugh and her sweet demeanor. She came home to visit several times and we had a chance to catch up. I am so sorry for the family and pray that they are at peace. She was sick for a long time and I'm sure was ready to go be with Jesus. Love to all. Nancy Lee

“ Danny and Randy....I am so very sorry about Pam. We were in the same graduating class. I was related to Pam and yourselves through our mothers. She was a beautiful person inside and out. “ *Pam was my cousin we were born in a family of boys - so we were the underdogs. at than time of our lives - we were a family of merger means , The Thompson's and the Stevens And the only girls - some of my best memories / were when my mom and Dad had a paper rout, so I would go with my dad to deliver papers - to get to Pam's house / where her Mother - Eula would have hot cinnamon rolls for us / we laughed , and cried together- the best of times - through the years that we could - our families vacationed in Myrtle Beach - We were also a family of faith. I can only find comfort in the fact that she is in a far better place - and she has earned her wings - and now walks with God!*

*So here's to you "Pamy Sue - until we meet again, love Sandra 🥰*

“ I was a Conway High School classmate of Pam's ....Class of 1969. Pam was always smiling with a twinkle on her eyes. She was as sweet as she was pretty, and always kind. Heaven surely gained another angel. I pray the hope we are given through our faith in Jesus, and your cherished memories will be a comfort to you all during this difficult time. Marsha Timbes Sands
