“ So sorry to hear of Pam’s passing. I met her at Pruitt Health Care where my Mom is a resident. It was announced in church this afternoon and has hurt my heart. She was such a sweet person. I enjoyed sitting with her at our Sunday church services. My prayers are with her Mom and son.

“ I was heartbroken to learn that Pam passed away on Monday!! I volunteer at Pruitt and would always look forward to seeing my dear friend Pam. As I walked toward her, she would be smiling and bouncing in her wheelchair, excited to see me, as I was excited to see her! Fridays were the ice cream social. After enjoying ice cream together, we would go outside to enjoy some warmth and fresh air. Today just wasn't the same..... :-(

My sincere condolences go out to each of you. I pray that you feel God's loving embrace and peace as you grieve the loss of one so dear. Like you, I lost a piece of my heart today. I pray we all take comfort knowing that she is now whole and in the presence of our loving God for all eternity!!!

“ Pam was my mom's room mate at Pruitt and mom loved her. Pam was ALWAYS so sweet to everyone. She was the first person that I really met there. I would have to say that she LOVED her son with a great passion. Talked about him each and every time that I visited mom. She would always say "He is so handsome." I would know exactly who she was talking about. You couldn't help but smile as her face lit up. I will pray for her son and family. God will make you strong. Dear Pam I will miss you each time I go visit mama from now on but I know where you're at . Save me a chair too. You are now among those that are truly BLESSED.
