“When I think of Pat...” No nonsense!” comes to mind immediately, adored her grandchildren, (through good times and bad), and just a really good hearted person. I am thinking of all of you - Steve, Lisa, Steven, Serena and my daughter Veronica - during this very sad time. Pam

We met Pat and Steve on December 16, 1972, in Rota, Spain. Both Steve and Rodney were on active duty in the Navy. We all got along famously and I was so fortunate to have Pat's friendship and willingness to help a new mother! Our son, Glenn, flourished under the caring friendship and love shown to him by Pat and Steve and Stephen and Lisa. And this was continued with the arrival of our daughter, Robin. They always have referred to them as "Auntie Pat and "Uncle Steve". Pat and Steve are their godparents. They both have asked me to extend their deepest and most heartfelt condolences to both Steve and Lisa. Pat, my dear friend, I will miss the talks we have had, the laughter and yes, sometimes, tears. Though we have been more miles apart then either of us liked, we have always been able to pick up where we left off. And, one day, we will do just that, God willing! With much love, Sandy and Rodney

Pat, you will always be on my mind. We have been friends for over 20 years and went through good times and bad times. You were the most generous person and loved by many people. I could write a book of all the things we did together, especially on the boat. My BFF is gone but she will always be in my heart. Love you Pat, we said that word many times on every phone call we made to each other. My strong condolences go out to Steve, Lisa, and Amber.
