“ I just heard about the passing of my friend, Pat. She was a close friend from our high school years. We were TOTs together and share hundreds of memories of our TOT days together. Pat was a wonderful person. She was the quiet one of our TOT gang. We all loved her quiet ways and are so sad to know she is gone. I know I'm speaking for all my remaining TOT friends (only 6 left now out of the original 12) in saying that we all share special and precious memories together that will stay with us as long as we live. To her family, please accept our deepest sympathy. Most sincerely, from Kay Fragale and the remaining TOTs (Gerrii, Barbara, Martha Ann, Diana, Beverly) Bluffton SC.

“ Rebecca and Robyn, I am sad that I am out of town and unable to attend your Mother's service. I know how much you will miss her, but she is exactly where she wants to be - in heaven by her Lord. I pray that she knows how much she meant to me as a teen and that she influenced my life greatly. She always treated me like her own child and that is something I will always carry with me. She was a strong woman and a great Mother. I have so much respect for her and loved her dearly. I know that she was a positive, Godly influence on many people. I love her for the wonderful person that she was and for loving me as I was. My prayers are with you and your family, but I know that you are happy that she is in a much more wonderful place. I love you.
