Pat was always available to lend a ear to us when we needed to vent our troubles. She was a true friend and our Birthday Club and Bridge Club will never be the same!! Pat has made her grand slam of life and she will be truly missed. May God Bless each of you during this sad but joyous time .

“ Pat Covington was a special friend to many with a heart as good as gold. She loved her Birthday Group, her bridge clubs, traveling, going to the Community Concerts and to the Cape Fear Regional Theatre with her "Fun Friends", being involved with her community in any way. Fond memories for me, personally, were the times we shared on our church tour to Greece when we couldn't climb to higher elevations, and we would find a small bar to share a cool drink and talk about the fun things we could enjoy while on this wonderful tour. Pat really enjoyed being anywhere with her friends and sharing in the joy of the moments. She will truly be missed.
