“ I was saddened to see the news of Pat's passing and surprised to read that she was 82; her good humor and energy made her seem 20 years younger! Last summer I had the joy of being in the audience for a Palmetto Player performance in which Pat did stand-up. Her timing was absolutely superb and her sly sense of fun earned her laugh after laugh and a rousing ovation. I knew Pat only as a performer. I can only imagine the light her smile must have brought her friends and dear family. My deepest sympathies on your loss.
