“ *Pat was such a dear friend of mine and she was the first to welcome me to my new home on Broughton Drive in Greenville...Pat and her husband Jack and I shared so many fun times together. One of my favorite memories was our trip to Washington, D.C. I'll miss you so much Pat but so happy you are experiencing the pleasures of heaven and in the presence of Jesus....Lee Alexander Langston*

“ *Miss Pat will be missed by so many. I so enjoyed my visits with her, we talked often about the Greenville area and who I should know. I don't think she ever forgot a name of a friend or the name and location of every street in Greenville. She was such a joy and the kind of friend I will remember fondly.*
