

## Patricia Lee Gorzkowski

November 1, 1952 - May 3, 2025

Patricia Lee “Patty” Gorzkowski, age 72, passed away at her home after a courageous battle with cancer with her husband by her side.

Patty was born on November 1, 1952, in Philadelphia, PA to the late Francis and Gloria O’Neill.

Capturing the essence of a life that left an indelible mark on the world is a challenge in just a few words. Family was very important to Patty, especially her grandkids. Patty had a wonderful sense of humor, and was very outgoing, she had a large circle of friends. She was a letter carrier for USPS for 38 years. She and Alfred loved to travel to beach destinations, and in particular she loved Savannah. After several years of asking, Patty convinced Alfred to move to Myrtle Beach 25 years ago because of her love of the beach. Patty was a huge Philly sports fan, loving her Phillies and Eagles. She loved gardening both vegetables and flowers, and she had a garden around their pool. She was always crazy about cats, and they have three.

Survived by her husband and best friend of 51 years Alfred; son Tim and his finance Marie of South Philly; grandchildren Stella, Eva and Francis James; her three orange tabby cats Jake, Bug and Taco, whom seem lost without her. She will be greatly missed by everyone who knew her.

A Memorial Service will be held at a later date.

In lieu of flowers, memorial contributions in Patty's name may be directed to the America Cancer Society at <https://donate.cancer.org>

Goldfinch Funeral Home, Beach Chapel, is assisting the family.

“ *Patti was a sweet and generous neighbor and friend who always had a kind word. Oftentimes she would share with me and Jeff vegetables from her garden. Additionally Patti and her beloved AL would decorate the exterior of their home at Christmas time and again we would enjoy the fruits of their labor. Jeff and I will always remember Patti's warm smile and carry her spirit in our hearts forever. Love and prayers, Maureen Clark*

“ I thur out the years of being Patty's neighbor, our love for kittys brought us together. We became very close friends, I loved her dearly. My heart is in a million pieces that this horrible disease literally came in the middle of the nite. Less than a year later she is now in God's hands. She was full of life and love for her friends, family, kittys, but most of all her unconditional love for her husband Al. Patty you will forever be in my HEART, I love you my friend. RIP

“ I will always remember Pat for being the first neighbor with AI to welcome us to our new home and neighborhood. We were greeted with beers and cheers. What a great memory. She will be highly missed. Bringing us veggies that were produced in her garden was a treasure. Many more inner memories will forever stay in my heart. Sleep well Pat.
