“ Dear Ed and Family, Ever since all of us were booted from the golf course, Riley and I have missed what was the highlight of our evening walks, meeting up with you, Pat, and your furry pals, so it was with great sadness that I read of Pat's recent passing. Although we were from the other side of the course, she always made us feel so welcome among the Myrtle Trace dog walkers, and that helped create a nice sense of community. Please accept my sincerest condolences. Nancy Anderson##imported-begin##Nancy Anderson##imported-end##

“ Pat was a very dear friend for over 37 years. We were neighbors in Chepachet RI. Our children grew up together. Pat was part of our extended family, attending all our parties & picnics on the lake. My sisters always said Pat was family. We had some good times together, stayed in touch when we both moved south. We Shared many laughs, Pat was always smiling and laughing. No one could ever ask for such a true wonderful friend. She was and always will be special in my heart and I will keep her memories alive. We will miss her very much. God Bless her family who gave her so much support. Pat is now God's Angel. Love you Pat, your friends Rita & John##imported-begin##Rita & John Mollica##imported-end##
