“ Dear Terry, children and grandchildren
Though it has been years (the late 70s) since I saw and visited with
cousin Patricia, I still remember her great smile and wonderful
kindness. Unfortunately, I was so young when I knew her but,
grateful to have known her much more when I reached my late
teens and early twenties on her visits to St Louis.
Trish will be so missed by all her family and friends.
Our deepest condolences Terry and family.

“ Jeff, Kera, Anna, Chloe-
Trish will be remembered by all who knew her. We will miss her
positive attitude, sense of humor and giggle laugh. She was excited
every time she got a good airfare to Boston. She loved to lunch,
read books and play cards. We are better for having known her.
