Kelly and Benny, this was such a touching tribute to your beautiful mom! It took me back years seeing her the way I remember her in my youth. She was such a loving and giving mother. She never hesitated to help me and I love her for her kindness! She has instilled the same attributes in her children because I see this in both of you! Pat will be missed but lives on through her children. Love and kisses to you Kelly and Ben! Terry

“ Kelly and Joey were my first friends when I moved to Myrtle Beach 30 yrs ago. The first year I lived here I was invited to spend Thanksgiving with this wonderful family. I shared in the birth of both of their children and we have been lifelong friends. I was fortunate to have gotten to know Pat along the way. When she moved to Myrtle Beach I started doing her hair so I saw her frequently. We had many hours of laughter and fun during those hair appointments. Patty Ann loved her family immensely and was a fiercely protective mama bear with her kids and grandchildren. I loved Pat like family and feel so blessed to have had her be a part of my life. When I remember Pat I will always remember her infectious laugh and love of an off-color joke. Rest in peace Patty Ann . . See you on the other side. . . Love, Shannon Brenner
