“ Judy and I had just seen Pat at the grocery store. She was buying some wine and snacks to celebrate getting out of the house after her many long illnesses with a friend. Pat was a good neighbor and friend and we will miss her. Our condolences go out to the family.

“ I am so sorry to hear about Pat's passing. I was a volunteer at Conway Medical Center. She was my Manager for two years. She always treated me with great respect and included me just as if I was one of her employees. Since her retirement I enjoyed seeing her FaceBook posts, knowing she was enjoying her retirement. I will miss her.

“ The attached photo was taken June 24, 2015 at the Healthcare Financial Management Annual Conference in Orland Fl. I had asked Pat to consider going even though it was barely a month since Paul's death, my wife and I wanted to try and put a smile back on her face. We will always treasure this moment and the memories of her last HFMA ANI conference with us.

The Grella Family sends our deepest condolences to Pat's family. I have lost a very dear colleague and friend.
