

Patricia Ann Mariano

June 12, 1942 - May 14, 2024

With deep sadness, we announce the passing of Patricia Mariano. Born on June 12, 1942, in Erie, Pennsylvania, Patricia left us peacefully on May 14, 2024. She was a beacon of warmth and talent, loved and admired by everyone, who had the privilege to know her.

Best known as an exceptional and gifted artist, Patricia won numerous awards throughout her life for her art, every one of them a testament to her skill and dedication towards her craft. Her art was not just a part of her life, but also an extension of her persona. More than her words, it was her artworks that best expressed her thoughts and emotions. Her legacy will forever live on through her works that touched and inspired many.

Patricia's love for art was not confined to one place. She accompanied her loving husband, Nick Mariano, during his career with The U.S. Foreign Service and they lived in exciting locales like Istanbul, Turkey; The Hague, The Netherlands; and New Delhi, India. Pat and her husband traveled extensively throughout their 21 years with the Foreign Service, and even after his retirement from the US Government. Each place she lived in or visited left indelible imprints on her art, adding to the diversity and richness of her oeuvre.

A Celebration of Life for Patricia will take place on May 28, 2024, at 2:00 PM at the Goldfinch Funeral Homes Beach Chapel, Hwy 17 Bypass, Murrells Inlet, South Carolina.

We invite those who were touched by Patricia's life and work to join us in

remembering and honoring this remarkable woman. She may have left our world, but her spirit and legacy will remain in our hearts and minds, forever engraved in the strokes of her art.

Nick; very sorry to recently hear of Pat's passing. We worked together for a short time at Dulles Airport during 1973/4 where we were part-time Customs Inspectors. One day she told me that her husband was working for the State Department's Diplomatic Security office (then called the Office of Security -SY) and that they were hiring. I immediately applied , was accepted, and spent the next 25 years working abroad with DS and State in various capacities. So, I credit her with 'jump starting' my carrier. Rest in peace Pat.

“ Dear Nick, we were so sorry to hear of Pat's passing. She was a great friend and I have enjoyed many good times with her. Golfing and lunches together always ended up with many laughs. Her laugh was contagious. She was a very talented person with all of her art and she also had a great love for all her animals. May she rest in peace, she will be missed.

“ I thank God, and you Nick for sharing Pat. She was a wonderful soul. She helped and encouraged me in my art journey. I used to love having lunch with her. We would critique whatever I was working on at the time. I would share funny stories about my family and she would crack up laughing. Her laughter was contagious. I will miss her. Carolyn
