“ My heart breaks to find this obituary. I was trying to contact Mrs. Marriner to thank her for helping to change my life. She was my 6th grade “home room” teacher at Maplewood Middle School. I was going to be held back because of lackluster grades, but she fought for me to be put into a summer program and helped me advance me on to 7th grade.

I wanted to let Patty know that she didn't waste her time on me. I took advantage of the second chance and went on to be an academic All-American in college. The world needs more teachers like Mrs. Marriner. Teachers who care about the kids they teach and teachers who can see beyond a young person's foolish mistakes.

I will thank Patty through prayer. I'm sorry for the loss and her friends and family are in my prayers. Don't wait to thank someone who has changed your life because before you know it, it will be too late.

“ I live in Colorado Springs but grew up in Greeley, CO. Mrs. Marriner (as I knew her) was my 6th grade English teacher at Maplewood Elementary. That would have been about 1969. I remember that she helped me learn to love poetry. If I had known she lived in CS, I may have tried to visit her. Good teachers leave a lasting legacy. My heartfelt condolences to her family.

“ To the Marriner Family:

In this difficult time in your life, may you find comfort in God's Word, the Bible. James 4:8 encourages; "Draw close to God, and He will draw close to you."

My condolences.
