“ *Patty was always the life of the party whether you were at a party or not. She was full of life and had an infectious, mischievous laugh. It was always David and Patty you can't think of one without the other. She was a great sister in law who always made me smile and my gosh could she cook up some yummy food. Patty loved David with all her heart and for all of her life. She was a beautiful, loving wife, a wonderful mother and grandmother, and a friend like no other. She will missed but we all carry her with us in our memories.*
