“ You are all in our thoughts and prayers. I will miss her. For the first time,without laughing. I will sign this: Aunt Phyllis I will always remember how when Nancy and I were teenagers she would like to introduce us to her friends as her AUNTS. She would get a kick out of their reaction because they thought we should be OLD. I was only 5 years older than she was.###imported-begin###Phyllis & Ed Glasgow###imported-end##
