

Patricia Willcox

January 2, 1929 - July 3, 2015

Patricia E Willcox

Patricia E. Wilcox age 86, died Friday July 3, 2015 at Georgetown Memorial Hospital.

"Pat, Mum, Nana" is how she was known to her family. To those who did not know her she was a beacon of happiness and contentment and fought unrest and displeasure with her every act. She treasured every holiday and ensured her family and friends enjoyed themselves in her company. She loved her dog, Mocha, as a family member. Love was in her eyes and felt in her touch. Each day she spent with her family filled her with joy. To see them smile gave her peace. The light in the world flowed through her heart. We miss her more than any word can say.

Patricia was a beloved wife and dedicated mother, grandmother, great grandmother and the quintessential English Lady. Born and raised in Leicestershire England, Pat was educated in English schools and after 4 years of garment cutting and design became a chemical analyst at Rolls Royce.

She is survived by her husband of 67 years, Don Willcox, daughters; Susan (spouse Sam) Scialdone and Joanne (spouse Ted) Ayoub, grandchildren Samuel and Stefanie, and great grandchild Dylan.

A Memorial Service will be held at 10:00 AM on Thursday July 9, 2015 at Goldfinch Funeral Home Litchfield Pawleys Chapel.

“ We will miss Pat, especially on our walks when we would catch up with her and Mocha. Most of the time "walking" was spent standing on the street talking with several other dog walkers and hearing about your family, dogs and time in England. We will think of her on every walk. God bless you and your family at this difficult time.
