“ *To Pat's family I send my prayers...Pat graduated from Northside High School in 1962 with my husband Larry and me. Pat and I have been close friends since our early years at N.H.S...riding to school every morning with our friends-parties at Lamoka Lake and hiking up Boyd's Point Gully at Keuka Lake. I was so happy to have been able to see Pat five years ago at our 40th reunion. We all sat together and had lots of good laughs about our memories from so long ago. To me-Pat was a good and caring person who could always make me laugh. He had a special twinkle in his eyes that always made me giggle. I am so sorry that he is gone and will keep you all in my prayers. We have been praying for him every day. I will try to send some pictures from the last reunion to you Mary Kay. Always...Karen Reynolds-Gorges##imported-begin##Karen Reynolds-Gorges##imported-end##*
