But now its the past I remember all of us on the trampoline after band practice. Gosh I wish you were here right now I miss you and I love you soooo much. My whole family misses you expecially John and he takes it hard we will all watch out over your brothers and sisters and parents. I remener all the times you guys were on the skate boards at church. And all the laughs and cries we all had and how you Johnny and John always hung out. As everyone says wow Patrick is crazy they defanitaly tell the truth. Well I love you lots and so does anyone that knows you. Basically I just wannna check up on my fake brother. Well I keep saying I love you buy its the truth that I can admit. Well I'm gonna keep writing on this because to me I think you can read it. One more thing I love also your pick up line "wooo"###imported-begin##Sara Thompson###imported-end##

“ Patrick, you were honestly one of a kind. I can't believe that your life has ended this way. So many people loved and adored you. i appreciate everything you did for me in the years that I lived at the beach...you were a great friend & always were there for me when I needed it the most. I remember even after I moved away and was having a hard time, you called me in the middle of the night and we talked for 2 hours about all of the drama that was going on in my life. You were so supportive. I'm so sad that you never got to meet Ava... I remember you saying she was going to be your honorary niece & you were going to teach her how to surf. No matter how upset I was, you would always put a smile on my face. Your whole family & friends are in my prayers constantly. I pray that you now have the peace that you were seeking. I love you, see you soon.##imported-begin##Kelley Morris##imported-end##
