“Ricky was one of the nicest and most genuine people I have ever had the pleasure of knowing. The way he loved my Aunt Doodle and took in my Grandparents in their time of need is something none of us will forget. It is hard to find someone that is that selfless in today's world!

-Love,

“May you feel grace and angels holding you close. Our friend Rick was the definition of LOVE. We are so blessed to have called him friend and are better people for having had him in our lives. He always made us laugh and he showed us how to love completely. You will be missed but we are so grateful that his suffering is no longer. Catch a big one in the beautiful ocean of heaven sweet friend. Steve and Judy

“Ricky loved his family hard, he loved his friends hard, and he loved his Bama hard. We will always have such fond memories with Ricky on the boat, loving our Doodle, and adoring our babies. Heaven gained a very special Angel.
