“ *My thoughts and prayers are with Patsy's family. Patsy was a very close friend through high school, she was my strength, she truly cared about people then as I know she did though out her lifetime. We went separate ways after school and lost touch, but through the years we ran into each other and talked as if no time had passed between us. I know she will be truly missed.*

“ Patsy was always so kind and patient whenever approached about any questions... even the ones I had about Jeff Gordon...She was full of enthusiasm for the people she worked with and always. ready to share a kind smile. There are only lovely memories of her in our lives [and she touched so many lives] That's what she gave everyone...true kindness... and she truly was a good soul on this earth and is already dearly missed.Many prayers for her family
