“ We are so sorry to hear of your loss, your mother was a very special lady, we spent much time with her when we visited Myrtle Beach. I always looked so forward to her calls to us, and we will really miss her friendship, smile and her sense of humor. She was a good friend and I will really miss her. We had always hoped she would visit us here in Canada, but she never could make it up, May you feel God's arms wrapped around you now and in the days to come, One of the special gift God gives us is our memories, so cherish them, she so often spoke of you and how much she loved you, remember this and hold fast. Take care. Paul and Marj Daniels, Totteham, Ontario, Canada

“ I worked with Pattie on the Missions Committee at church. That is how I got to know her. But I will always remember three things about Patty: 1. She wanted things done the right way. Her background in finance and administration served First Baptist well in her role in deciding spending on missions projects at church. 2. She loved singing in the choir and always had a smile on her face when singing. 3. She was a determined witness for the Lord Jesus Christ. She witnessed to everyone who came into her hospital room. She was determined to share her faith in Jesus. She is with him now, and I rejoice she is no longer battling that horrible cancer. Love and prayers to her family and friends.
