“ Lois and family, I will always be indebted to Jerry for an opportunity he gave me many years ago, to do something no female in our area had ever done before. He promoted me and I became an Estimator at State Farm. That opportunity was the foundation for my career. I enjoyed working for him very much. My thoughts and prayers are with you all at this difficult time. God bless you!##imported-begin##Fran Mann Stidham##imported-end##

“ Lois, Wes and Pam: My sincere condolences on the passing of Jerry, I loved working with him at State Farm. I also have many memories of Jerry and your family throughout the years. I remember Jerry carrying me on his shoulders at Halloween, when we were growing up and we lived on W. Main St., and then later in life - memories of picnics at your farm. He was a wonderful man, with a great sense of humor, who was dedicated to his family. May you find peace in knowing that he is smiling down upon you from heaven, as you've just taken different roads and in heaven you will meet again.##imported-begin##Karen Kincaid Howard##imported-end##

“ Lois, I am sorry to hear about Jerry. He is a good man. He always treated me right when I worked for him at the Farm. Because of him and a few other supervisors I was able to be promoted to Technical Services where I still am after 34 years. Even though I have not seen him or you in years he will be certainly missed. Take care of your self. God will give you strenght. Lori###imported-begin##Lori Feightner###imported-end##
