“ How thankful we are to have had Paul and his family in our lives. We've matured and grown old together and would not change a bit of the life shared throughout the years. Someone once said "There is no death, only a change of worlds." We will hold our precious memories and true friendship close until we meet again in the other world.

“ Paul exemplified the qualities that distinguish the outstanding among us. He willingly served his family, friends, community and his country.

*I'm very fortunate Paul welcomed a new son in law into his family so many years ago. Sharing a lifetime of wisdom with his many stories, insightful advice and sharp wit.*

*Paul was not only the kind of man people wanted to be, he was the kind of man people would be proud to be.*
