“ We visited Cuba a few years ago when it was opened to the USA to visit. It was a memorable trip and we found the people very welcoming. We had a great time and would love to be able to visit again one day. We met your dad at a Thanksgiving that Doc and Sirpa hosted at their home in Las Vegas and at Joe’s wedding in Kansas City and I believe you were also at Joe’s 70th birthday bash in San Diego prayers to you and your family.
