So sorry for this loss. Paul was just as I remembered him. I fine looking man. He was a determined youngster driving and farming at a young age. He grew up in a loving family. We lost touch over the years cousin's draft apart once parents are deceased. But memories are forever. I have not forgot you Paul and they closeness that our families had. R.I. P. And give your parents a big hug. Judy Maxfield Shelton.

“ Paul was literally one of the best men I knew. He was quick with a joke, and even quicker to help anyone if they needed it. And man did he love my mama, and that made me love Paul even more. I'm sad he left us so soon, and I'll miss him forever.

“ Paul...one of the kindest and soft hearted people I have ever known. He always always was here for me. One phone call was all it took. He will be missed by this entire community, especially by my daddy and me.
