“ I remember Paul very well. He and my father worked together when they were stationed in Okinawa. His daughter Mary and I were in the same class. Mary and Joy, I will keep you in my thoughts. Paul will not be forgotten. Rip Paul

“ Well Daddy, I know you are not in pain anymore and we know that is a better place. We will surely miss you in body, but know you are with us in spirit. Give Grandma, Obaa, Ojii and Grandpa a hug for us. There is never enough time to do the things we talked about doing, but what we did do was wonderful. Don't worry, we will take good care of mom. We love you with all we are. If the Big Guy will allow it, please keep an eye on us and guide us when you can. I will sign this on behalf of all of us. ~ With Love, Hanae, Toshio, Mary, Joy & Mina.

Like Chuck above I can't say I knew Paul but as a Life Time Member of the Ammo Chiefs Association along with his long career in the AF I'm sure he touched many people. He will be missed by those that did know him.

*I knew Paul well, we served together at Myrtle Beach Air Force Base, he as the bomb dump chief and I as the squadron 1sgt. Later we taught school in Georgetown Country at the career center, after that we owned an irrigation company as partners. We is/will be missed by many people who's lives he touched. Rest in peace my friend.
