“ Joy, I was deeply saddened to learn of the loss of your grandfather. Your family was very fortunate to have shared your lives with him as long as you have. His legacy lives on in his children, grandchildren and great-grandchildren. I know he was thrilled to meet Mina. Keep his spirit alive in all that you teach her. May your family draw from each other's strengths as you celebrate his life. God bless!###imported-begin##Michelle Cantey###imported-end##
