Tribute Wall

“ *My Dad was the best man I've ever known. He worked hard to give us everything we wanted or needed. He had the patience of a saint. He stood by my Mother during her illness. He never drank or did drugs or swore or cheated on my Mom. He was always there when I needed him. He taught me to drive and was always there for me. I will miss him more than words can express. I love you Daddy.*##imported-begin##April Fentiman##imported-end##
