“ Praying for you and your family Lois, and for all my cousins and thier families. If we could be together, what stories we could tell. God's greatest gift is the memories of those we love and the ability to revisit those times in our lives with them. God's blessing to everyone, Pat###imported-begin###Patricia Baker###imported-end##

“ Our heartfelt condolences to the family of Paul Wagner, a friendly man man with a wonderful sense of humor who I met on the Garden City Pier several years ago and came to know as someone who enjoyed the sunshine and the ocean as much as I did. We saw each other almost every week day morning and spoke about all of the good things in our lives; he met my husband Bill and this was also how I came to meet Lois and enjoy her friendship as well. Paul also met my father; they were both veterans of World War Two and enjoyed talking about that one morning on the Pier. I will miss Paul but know that he was ready to meet the Lord and that he is now comfortable and without pain.###imported-begin###Susan & Bill Lyll###imported-end##
