“ My dear Paula. I didn't know of your passing until after the services. Just wanted your family to know what a big support you were to me during this awful cancer journey. You were my IBC sister right until the end... You always knew the right things to say... right advice to give... I'm not too sure I would have made it through treatment without you. I miss you my friend....

“ I'm so sorry for your loss. Please accept my deepest sympathy. May you find comfort from your memories, as well as God's word the bible. Why do people we love die? Romans 5:12 says: "That is why, just as through one man (Adam) sin entered into the world and death through sin, and thus death spread to all men because they had all sinned." How loving of God to promise what is found at Revelation 21:4 which says, "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away."

“ I am Really sorry to hear about Paula. We have such fond memories of our families getting together when we were kids. Minturn, Dunbar and Clio were great places to grow up. I am sorry we did not stay closer together over the years. Life is short. Enjoy it.

“ We are so sorry to hear about Paula. I am her second cousin but did not get to see her very much. But I always remember her being so sweet when were together. Sonny remembers her very fondly from school as well. Said she was the nicest person. We have the family in our thoughts and prayers. Diane (Dees), Sonny, Victoria and Sarah Jackson

“ I grew up with Paula in Minturn, SC. We had so much fun together...playing at the cotton gin, sleepovers, and all the other things little girls love to do. I regret we did not keep in touch over the years. She was such a sweet person.
