“ *Aunt Polly was a true Southern Gentile Lady! Such fond memories of her letting us play dress up. She absolutely had the best color lipsticks, perfume and beautiful high heels! She taught me how to apply perfume...Spay and walk into it. She loved first serving God and then her "H"! Polly and Irene will once be united in the arms of Jesus!*

“ *Hobert & Family*

No words can express how sorry we are for your loss. Polly was an angel here on earth. She now has her heavenly wings. Our loss is heave's gain. What a beautiful person she was and a great prayer warrior. We know we will see her gain some day and know that she will be watching out for each of you until that time. Love & Prayers. “ Accept my condolences at the death of Polly. My most vivid remembrances of your family were when Daddy (JC McQueen, Jr.) was pastor at Fellowship Baptist in Mt. Airy and we became friends--and eventually "family" when Brenda and Calvin married. God be with you in a special way, Hobert, as you grieve the death of your longtime life companion. And with you children as you grieve your dear mother's death.

Preacher Hobert and family: Polly is not lost because all who knew her knows where she is and will see her again someday. We have sent so many from our Sunday School Class lately to be with the Lord, but don't you know they would not trade that transition for anything. I feel that it won't be long for me because of my Chronic Obstructive Lung Disease and Chronic Respiratory Failure. Archie and I pray to make the funeral (if possible) with this humidity and trying to breath. Love and prayers from Miriam and Archie Brazier

So sorry about "Ms Polly". She was a wonderful, friendly, beautiful lady and your love for one another was obvious. I enjoyed seeing you both when I would visit at Oak Dale when you were the pastor there. Enjoyed your sermons there too. Marion McGee [step-daughter of John W. Hardee].

Hobart, I know the pain you are going through. Luke passed away March 5th. It hasn't been that long. After the funeral and everyone returns to their normal activities, you will be left alone with your memories of Polly. It's hard, but with God's help, you will survive. Stay busy! Don't sit down at home that much. This is working for me. We must remember that God doesn't make mistakes in calling our spouses so we must accept and know that God is fully in control. We have had so many good times at the RMF gatherings. I will never forget them.
