“ Pauline meant the world to me. I really enjoyed the years that we worked together, she became a great friend to me. I will never forget the times we shared as coworkers and friends. Luis would often bring us supper at Belk or sometimes we would pick up chinese food and split it...always cashew chicken. She was a wonderful person and loved her daughters so much. She always had great advice for me. I have shed many tears since I found out she is no longer with us but I know she is in a better place. I would like to give my deepest condolences to her family. I know you all loved her a lot, she was a beautiful person inside and out.

“ *It was my honor to meet Ms. Pope and work with a very loving family during her struggles with her health while at NHC Healthcare. I was so surprised to read about her this morning, and just wanted to take a moment to share how very evident her love was for her family and how special it was to see the love and care she received from those she loved. My sympathies to you all in your loss. Cindy Gordon*
