“ *Pauline was like a sister to my mother and I considered her one of my "children" whenever I took her and my mother out for a day of fun or shopping. She was a jewel that will truly be missed by all she ever touched. I know she is now playing the piano for the lord and is having the time of her life in heaven. We will miss her dearly.##imported-begin##Donna S & Donna C Nicoll##imported-end##*
