“ *Polly Weiss.....true to yourself until the end; and always with love, hope and happiness. You are the ultimate host, entertainer and storyteller. I have an ever endless store of memories that we shared together that I will hold dear forever. I know where ever you are, you are doing it your way and having a lot of fun while you're at it. See you again, Nana. With all of my love, Donna*

“ *Anyone who knew Polly could always count on hearing one of her many jokes. She loved to talk and get updated on how life was treating you. She did a lot of worrying and praying for your good health and happiness. Gone, but always in our hearts. In loving memory. Her family, Marlene, Don, Donna, Carly and Chris.*

*I was very sad to hear that Aunt Polly passed away, but find comfort in knowing she is at peace. During our last conversation, she told me she was ready to go and prayed for it. I have many wonderful memories of her that start when I was just a young child. RIP Aunt Polly! I know you are up in heaven making everyone laugh with your jokes. I was blessed to have you in my life. Love you! Lori*
