“ First of all my condolences to Eileen. & Terry,Michael,Mark & Cher,Matt & Dorene....and to all the grand and great grandchildren.....
I worked with Pearl for a lot of years and you would not find a funnier person, she always had an answer for everything , she didn't care what she said or who she said it to...i really enjoyed her company....she was a very dear friend....I can't just focus on one memory as there were so many...I'm going to miss her not coming up north,as I would pick her up and we would go to breakfast and i would try to catch her up on all the news so needless to say breakfast would be at least 2 hours....She was a great knitter...got lots of points from her..
I will always remember Pearly as I called her...and all the good times...
