“ Dear Cousins, I was very saddened to hear about the death of Aunt Pearl. I have so many many of your family. I remember we used to stop by to see you in Charleston when we were on the way to MB. It is fun to try and explain to my children how your family is related to me on both sides of my family. Your dad, Tillman, was my mother's ,Thelma, first cousin. My grandmother, Stella, and your grandmother, Rosie, were sisters. Your mother ,Pearl, was my dad's, Red, was sister. I have 2 sons with their red hair. My latest memory of your mother was a visit we made to her place in the fall of 2001 with my mother and my husband and sister. She was as funny as ever! She made sure we had some ice cream. It is a comfort to know that Jesus has gone ahead of us to prepare a place for those who love him. I plan to see her there! Love and prayers!

I could not help but smile as I recall the many visits to your home with my grandmother Thelma, they were such a pair! My growing-up years were enhanced because of the time spent with your family. I now experience a flood of happy memories from those visits that I will always cherish. Your family is special to us. You are close to us at heart and in love and prayers.
