“*Pearley was a ole friend of mine when I grew up in the Myrtle Beach area. Although we went our own ways when we became adults, I will never forget the friendship and fun we had at the beach. May he now rest in peace until we can all be together with our lord. You will always live in my memory as a true friend who I will surely miss. My condolences to his family and friends. Be at peace my friend, Pearley*###imported-begin###Allen (AJ) Thorpe###imported-end##

“ I will never forget after Uncle Pearly had his accident I was so sad and cried when i talked to him. Instead of feeling sorry for himself he told me never to cry for him he will be just fine. I have done my best to follow his wish over the last twenty some years. Now it is Aunt Karen and his kids that I cry for.He is now at peace. It is hard to lose such a huge person in your life. I love you all and time does heal. I'm thinking of all of you.##imported-begin##Kim Carter##imported-end##

“*Pearly, we will miss you so much, but you are in a much better place, no more pain, wheel chairs, hospital beds and doctors. You were such a wonderful part of our family and proof that miracles do happen. Your laughter was contagious and your heart was too big too measure. We have to learn to live with the void that your leaving has left, but I know that I will see you again someday. Karen and the kids will hurt for a while, but they know that you will never hurt again, I love you so. Karen , Timmy, Heather, Heidi, Adam, and Tiffany we love you all and we are here for you. God bless you all###imported-begin##Patty Strickland###imported-end##*
