“ *First of all I would like to express my deep sympathy and love to Donna & Vince and the rest of Pearlines family. Pearlina was a wonderful and good woman. She was so good to me all of my life, and I do mean all of my life! Words can't express how much she meant to me. She helped me so very much when I was a teenager and going through a very rough time. I will never forget her for that as long as I live. She always made me laugh no matter how down I was. She had a way of saying the most hilarious things right off the top of her head, it was amazing that she could come up with something so funny, so quick. She was really a lot of fun to be around and when she told you she loved you, she meant it! She was so easy to love and Ken and I both will miss her very much. I know she is having a great time in heaven right now with Cathy and the rest of her family that went to heaven before her. I truly believe that her and W.L. will be walking those streets of gold hand in hand for eternity. I'm very thankful that she was in my life for so many years. ❤️*
