

## Peggy Jean Finley

June 21, 2022 - August 18, 2022

Peggy Finley died August 18, 2022 at Conway Hospital. She was eighty years old.

Peggy was preceded in death by her mother Ruby Medlin, her father Worth Medlin, her brothers Donald Medlin, Clifton Medlin , and her sister Ilean Chantre. She is survived by her sister Geraldine Williams.

Peggy was married to Vernon Finley who died in the year 2000. They had four children Cindy Finley, Terry Steinbrecher, Donald Finley and Danny Finley. She had 7 grandchildren and 5 great grandchildren.

Peggy loved to bowl and although she wasn't a top bowler, she helped her teams to get 1st and 2nd place a few times.

She loved that she got to travel with her husband and family during her husband's career in the Air Force. Being an Air Force wife and marine wife before that made her proud.

She loved to entertain and cook, and she made it all look easy. Most of all she loved being a mother, and that was something she was the most proud of being. She always had to tell people she had two sets of twins. That always brought out amazement to the people she told.

She was unforgettable in every way, and will be greatly missed.

“ *we were neighbors with Peggy and her family for many years and they were the best. We moved and have not seen Peggy for a long while, but we still remember that smile. Family, you'll miss her, but you have all the memories you can recall. May God bless and comfort you in your time of grief. Ron, Pauline and family.*
