“ Ms Maness was always there for us when we needed her! Teachers rely on our substitute teachers to do our job and there's no one we relied on more at East Montgomery than Ms Maness. If you had to be out, you knew your kids were still in great hands and the work would continue. Seeing her here recently in our beautiful new school warmed my soul. She was serving our children until the end. God has reserved a special room for Ms Maness. As she has brightened up countless days with us, I know she will forever shine with the Lord. Thank you Peggy for loving all of our kids.

“Peggy was a precious soul. She was family, my aunt by marriage. But she loved us fully. She was a loyal friend and sister to my Mama. They laughed, cried, and traveled together. Peggy sacrificed time and energy in helping to care for Mama during her final days. Her presence brought peace and comfort. I am forever grateful to have had such quality time with Peggy. She will truly be missed. Love and prayers to her precious daughter and family.
