“ *Peggy was like a mother to me, she was my mom's older sister - Beatrice Boehle and she was always there when we were young children (six of us) growing up in Woodcliff Lake, NJ. She never had children of her own and we lived close enough (Tenafly, NJ) where she was always part of our lives. I always had a special bond with her up until her death. I will always love her and I will miss her very much.*

“ *I will always remember Peggy teaching me the rules and etiquette of golf. I was very nervous and she made the game fun and enjoyable. Thank you Peggy. I will miss you.*
