“ *Dear Harriett, you and Pete were among the first people which Betsy and I met when we re-located to Surfside Beach with Conway National Bank in 1972. You made us feel so welcome to the then very small community and to membership at Surfside United Methodist Church. We remember your sincere warmth with grateful hearts. May our faithful Lord keep you in His care, comfort you with sweet memories of life with Pete, and truly shelter you with His peace.*

“ *I will always remember our fun times together. One memory I will always remember is Pete's fondness of rain. He loved to hear the rain pounding on the roof. When I was at your house and it started raining he would say It's time to go to the attic! When asked ,why the attic he would say becauseyou can hear it much better from the attic!*
