“ I met Pete 13 years ago when we purchased our home in River Club. He was known as the Honorary Mayor of Carrington. He knew about "everything and everyone" on Carrington Drive. It was always great to have a conversation with Pete. He somehow managed to be gruff and warm at the same time. Some of my fondest memories of those days are of Pete "telling" me how to do something and Betty Ann standing behind him smiling and just shaking her head. You will be missed Mayor Finneran.

“ “Doggie, doggie diamond, step right out” - Pete taught this little ditty to my sister Nancy and me and we would sing this with him with great joy and glee. A wonderful childhood memory with a man we did not see often, but who always brought with him a smile and ease. We enjoyed these visits. My thoughts are with the Finneran and Coffey families as you honor Pete.
