“ Aunt Millie and Family, I am so saddened by the loss of Uncle Peter and so sorry for your loss. As a little girl, I was a little intimidated by Uncle Peter but as I become an adult I learned quickly that he was a kind and caring person. My mother always felt protected with him as her older brother. And that is my impression of him now, a protector. I had an opportunity to have dinner with Uncle Peter & Aunt Millie several years ago in Murrells Inlet and it was so enjoyable. He will be missed and I know my Mom and her sisters will miss his birthday cards because he never forgot them and they so loved receiving them. Stay Well.##imported-begin##Karen Nappo chaponis##imported-end##
