“ One of the best parts about retiring to Murrells Inlet was and continues to be the warm and friendly people it's been my great pleasure to meet here. Pete was that way from first day I met him. Always ready with a handshake, a greeting, conversation and friendship. We all miss you Pete and our prayers and thoughts go out to you and your family.

“ Oh Pete, you will be missed by so many. The thought of you finally being reunited with Lesa makes me smile.  
You lived your life your way and you enjoyed it. (even though I don't think you like being alone at home)  
I know how much your enjoyed your friendships and living in Wachesaw. I also know how much you loved your family and spending special moments with them. You were very proud of them and I hope they know that.  
I will miss our phones calls and texting along with an occasional drink.  
I know you are at peace and happy and that gives me comfort.

“ With great sadness we bid a fine man farewell, for now. I have no doubt that you will keep em laughing in the bye and bye, as you have for us here on earth. Pete, you will be sorely missed by an entire village. Keep those Miller Lites cold, the Whiskey strong and a great red on hand, I'll be seeing you. "Q-TIP"💖

“ I'm so very sorry to all of your family. I feel very fortunate to have known Pete. He always put a smile on my face and made me laugh. I will cherish all of our conversations and all the good advice you gave me. You will forever be one of my most favorite people. The last few days have been rough but every time I cry I just think of something funny you said and it keeps me going. You will be missed by so many. Rest In Peace Pete Kelly❤️❤️

“ *Pete's passing provides a void to so many of us. Wednesday through Sunday when Mike and I would ride bike past the Clubhouse, Pete was always on the porch yelling "Hey, Squirrel ... slow down." He was so loving and generous ... did so much for so many. Hard to go to Kimbel's and/or the Clubhouse and not have a great chat with Pete. We miss you so much.*
