“Pete , as I knew him as when my family move to phoenix in 1978. He was one of the first friends I made in the 8th grade at Royal Palm. We both went on to Sunnyslope HS where we ran in the same circles and reconnected years later. I enjoyed the love for his family he so proudly shared. Rest in Peace my friend . Thoughts and prayers are with them. Becky Roehrman Paparella

“ I was very sorry to hear of Peter's passing. I had the privilege of working with him in Austin, TX and Newark, NJ. I also had the honor of being a guest on his podcast. I met Peter at CUE and always loved seeing him at the annual conferences where we would have a chance to catch up. I was amazed by his knowledge and skills. I absolutely loved spending social time just talking about our lives and our families.

Peter will be deeply missed. I truly feel blessed to have had him in my life, albeit only for a few short years. He will be remembered warmly.

“ I was deeply shocked to hear of Peter's passing. I had the privilege of working with him on several occasions, and I always called him “Señor Pedro” with affection. Years ago, while he was living in New Jersey, he kindly invited some colleagues and me to his home for dinner. That evening, I had the pleasure of meeting his wife and children when they were still very young.

Rest in peace, Señor Pedro. Your kindness and warmth will always be remembered. 🙏🙏🙏🇺🇸

“ We are sorry to hear of Peter's passing. We knew Peter since he was a boy. In fact Peter went on my first date with my husband and I. He was such a delightful child. His mother Judy and I have been friends for 50 or more years. I watched Peter grow into a young man full of promise, love and ambition. He grew to be a wonderful person, a wonderful father, friend, and provider for his family. Pete loved his dogs and I being a dog rescuer myself appreciated that. Peter you will always be in our hearts for eternity and your good works on this earth will always be remembered. With all of our love
